furnishes the particulars called for

13) This relates to the request of the authorities of the Sri Sivarathreswara Hostel, Mysore, particularly from Sri Shivarathna Rajendra Swamigalu, Sri Veerasimhasana Mutt of Suttur, Nanjangud Taluk to acquire a private site situated just behind the hostel referred to above and hand over the same at a reasonable rate to extend the hostel building

14) On Sept, 1946, the Chairman of the Mysore Trust Board was intimated from this office — Vide flag L — that it will not be for and necessary for acquiring the said property under the Land Acquisition Act, for being given, to

a private person cause and that the hostel authorities might be asked to purchase the land, if required, by private negotiation

15) Again in May, 1947, Sri Shivaraothu Rajendra Swamy also submitted a petition to the then Minister for E-W & P H praying that this private property might be acquired and given to the hostel authorities The then Minister inspected the spot and ordered that "this cannot be acquired by govt for the hostel" The party was informed accordingly

16) The chairman has now sent the petition submitted to the Minister for Finance and Industries on 30-11-47 by the students of the Hostel, for the orders of govt, as per orders of the Minister

3115 √ 3814/L

17) The point for order is whether the private property situated behind the Sri Sivaramathanara hostel in Kannukkarai road, Tyneeswaram may be acquired by the Government and handed over to a private institution, as requested in the petition. The Rev. concerned may perhaps be consulted whether there is any statutory provision to acquire property on behalf of private institutions for purposes other than that of a public one.

18) Submitted for orders.

MA 23/1 19) Under Section 4(1) and 4(1)(i) of the Land Requisition Act, this land cannot be acquired for purposes of the hostel building, as it will not constitute a public purpose under the terms of the Act.

Pr 23-1-68

20) It will be seen from the above note that the request in this behalf has been turned down twice — the second time after inspection of the site by the then Education Minister for Education P-10

in the matter —

As per orders of the Minister
for Finance & Industries at para
47 supra, the chairman, Trichy Improvement Trust Board was
requested to take steps for the
acquisition of certain private
property in No V. Annalai Road
Trichy etc for extending the hostel
building of Shivaratheswara

passed by the Board in the matter of renewal and necessary action. The resolution reads as follows –

"Letter from Secretary may be requested to send a copy of the Govt order for the information of the Trust Board and then the subject brought up."

54) It is not clear from the above resolution, a copy of which Govt order the Trust Board want the decision arrived at from a 47/reference and communicated to the chairman in this office letter dt 12/7/48 is itself a Govt order and the Trust Board may perhaps be asked to proceed further to acquire the property in question on its strength

63) This report was received
from the chairman forwarding
12/11/47 a copy of the resolution of
the Board to the effect "In the
opinion of the Board, this proposed
acquisition is not for a public
purpose and the Trust Board is
not in favour of taking steps
for acquisition" is submitted
for perusal with reference
to paras 47 & 61 supra

64) The chairman was
requested to take steps to acquire
the property behind the Sri Shivarathreswamy
Free Boarding Home, Mysore city, for
being given to the authorities
of this institution, as per orders
at para 47 supra These instructions
were issued to the chairman
after obtaining legal opinion
in the matter - Vide para 42 supra

65) but the Trust board are not in favour of the proposed acquisition, as they consider that the acquisition of the property is not for a public purpose - vide their resolution flagged P

66) In the above circumstances, it is submitted for orders whether the views of the Trust board may be accepted and the petitioner informed that govt cannot interfere with the decision arrived at by the Trust board in the matter

67) If the proposal at para 66 above is not affirmed, the point for consideration is whether the govt can uphold its plea in the orders in the matter and direct the Trust board to proceed with the acquisition of the property inquestion for being given to the resettlement of those who has to be done, under what provisions of law, govt can take such action, has to be decided first

68) Under section 14 of the Karnataka Improvement Act, the Trust board shall make improvement schemes on the basis of and due regard

re 5070/mt Acquisition of vacant land behind 5196/
Sri Swaraj Shetty Hostel in U O Road

to, the orders passed by govt it has now
to be considered whether the acquisition of
a property for benefit of a private institution
comes under the improvement scheme, as
defined under section 15 of the Act (Trust
Board Act) or not. There is perhaps some
scope to treat this as an improvement
scheme, in view of the provisions made
in section 15(2)(d) and in section
15(3) of the Trust Board Act

6) But govt may also perhaps
take action under section 4 of the
Land Acquisition Act and direct
the Trust Board to take action
to acquire the property in question,
as the purpose for which
it is needed is deemed to be a
public one

7) In the above circumstances, the
Law section may be consulted whether
there is any scope for the govt either
under the provisions of improvement
Act or the Land Acquisition
Act to direct the Trust Board
to acquire the property and hand
over the same to the institution
against their demand

8) The proposal made at para
66 or at para 70 above is submitted for
orders — 9) The Law Dept may be consulted on
the point referred to in para 7 of

Section Officer 10) Secretary (LC) 11) Minister for Revenue

5196/Gen

74) Kind reference is invited to legal opinion at para 42 supra The Trust Board refused to act ~~acknowledging~~ according to the orders of the Government on the ground that the proposed acquisition is not for a public purpose

75) The legal opinion furnished at para 42 is also based on precedents Moreover under the Land Acquisition Act, once a declaration is made under section 6, the opinion of Government regarding the question of "public purpose" is final Government may acquire the land and then hand it over to the institution or under chapter 3 of the City of Mysore, Improvement Act 1903 the Board has to make an improvement scheme on the basis of orders passed by Government, the scheme will then have to be notified and then forwarded to Government for sanction On receipt of sanction a declaration has to be published giving particulars of land to be acquired and upon such publications the Board has to proceed to execute the scheme

B

76 ~~77~~) The Trust Board have also power to acquire land by agreement The acquisition otherwise than the agreement is ~~xxxxxxxx~~ governed by the Land Acquisition act as provided in section 23 of the City of Mysore Improvement Act All this however vests the intiative with the Board There appears to be no provision however for Government to direct the Board to acquire the land

If what was stated in para 47 - was not possible, the point for orders to be sought was not whether the park could be removed accordingly (as in para 80) but whether the Govt should acquire the property for the purpose as suggested by the Law Dept at 74 B. Sir,

I bring to your kind notice that the Sri Sivarathreswara Free Boarding Hostel, located in the Vanivilas Road Mysore, which was started with thirty boarders and the present strength of this hostel has been increased to 103 boarders and all of them are University Students

The accomodation in the Maharaja's college Hostel is very much limited for lingayet students and there is no other hostel except the hostel in question to provide accomodation So it has become the necessity for this hostel to provide accomodations for larger numbers of student

In this connection, I had put in an application to you for the acquisition of a private site situated just behind the hostel in question and give us the same site at reasonable rate to extend the Hostel building I got a negative reply from your office in this connection

So, I once again being to your kind consideration on the following points

(i) The Trust Board, Mysore City resolved at its meeting hold recently to provide the site for the use of this Hostel

(ii) Similar private sites have been acquired by the Government and given for the use of Hostels and Schools For example, a private site has been acquired in Mandya District and given to vatiraj Mutt Melkote There are many other such example

I therefore request you, once again to reconsider the application and grant the following sheduled site for the use of the Hostel in question

Schedule - Bounded on the East by conservency West by Gita Road, North by Sri Sivaratriswara Hostel and on the South by bungalow

Thanking you in anticipation

OFFICE OF THE MINISTER FOR INDUSTRIES
No P 2440
Date 24-2-48

The Minister for Education,
to the Government of Mysore,
BANGALORE.

Sir,

I bring to your kind notice that the Sri Sivarathreswara free boarding hostel, located in the Vanivilas Road, Mysore was started with thirty boarders in the begining and the present strength of this hostel has been increased to 130 boarders and all of them are University Students

As the number of poor students that seek University Education is increasing rapidly year by year the provision of any amount of Boarding and Lodging fecilities will fall far short of requirementsx of innumerable poor Students So we feel the necessity to provide accomodation for a still larger number of Students

In this connection, I had put in an application dated 5-5-47 to you for ordering the aquisition of a private site situated just behind the Hostel in question and give us the same site at a reasonable rate and thereby fecilitate the extention of the Hostal Building But unfortunately I got a negetive replay from your office in the matter

So, I once again bring to your kind considaration the following points,

1 The trust Board Mysore City resolved at its meeting held recently to provide the site for the use of this Hostel

2 Similar private sites have been acquired by the Government and given for the use of Hostels and Schools For example, a private site has been acquired in Mandya District and given to Yathiraja mutt, Melkote. There are many other similar examples

I therefore request you, once again to reconcider the application and grant the following sheduled site for the use of the Hostel in question

Shedul-,

Bounded on the east by conservency, west by Gita Roa
north by Sri Sivarathereswara Hostel and on the south by
Bungalow

Thanking you in anticepation

Yours faithfully,

By C Mallappa

By order.
